Thanks for working with me today ☺

I've made the changes we discussed on the attached redlined version of the conditions. Let me know how things go with Captain Zarcone and then I'll circle back with Chris Robertson.

Good morning Officer Kutscher,

I'm following up on the email below from Officer Poole. Have you had a chance to review the revised conditions Officer Poole and I discussed on 1/20 (attached).

The record has been held open until 2/3, so, if possible, we should confirm conditions by this week. Let me know if you'd like to discuss in person or by phone. I've copied Chris Robertson, Planning Director for CD 13 on this email.

Thanks in advance for your assistance.

Best,

Laurie

Laurie,

We will discuss the proposed changes with the Captain. Again, these are the conditions that LAPD would like to see. We will coordinate with CHNC as much as possible, but ultimately the TAO group is who has to sign off on these conditions to receive our non-opposition letter. I forwarded the conditions to Officer Kutscher ([36601@lapd.lacity.org](mailto:36601@lapd.lacity.org)) who is going to be taking over for me. He will get back to you, Rob Rawleigh and Amie Marben regarding the proposed conditions.

Laurie,

I sent the revised and final conditions to Mr Rawleigh on Wednesday January 27th at 10:59am. These conditions were adjusted after a final meeting with Officer Poole and Captain Zarcone. I did not get any response. In that email I let him know that due to the time constraint of February 3rd, I will need to write the letter no later than first thing Monday morning February 1st (today) in order to have it signed by the Captain and submitted to the Zoning Administration before February 3rd. At this point it will be a "Non opposed" letter with recommended conditions. It will be in the hands of the Zoning Administration for the final and actual conditions.

I have attached the conditions.

Good morning Chris!

I could use your wisdom and advice. We received revised conditions from Officer Kutscher, but NONE of the conditions I worked on with Officer Poole were included. Notably missing are Special Events – Officer Poole stated that Capt. Zarcone would allow 12 and we are requesting 24.

I've attached these new conditions with our comments, along with LAPD's "non opposition" letter. Please let me know if you have time to discuss – maybe after our 4 PM Thompson call?

Thanks much!

Laurie

Good morning Chris!

Congrats on Palladium 😊

Hoping you can help Grant and Richard – we still don't have the LOD on TAO 😞

The hearing was 10 weeks ago and Planning has had the conditions for more than 4 weeks. Heather is not returning Dana's calls. Is there anything you can do to help get our TAO LOD?

Thanks much!
